AANLCP NEWSLETTER

Welcome to our January Newsletter! We believe in transparency, growth, communication, and the power of a professional community!

Executive Board News

The Executive Board is pleased to announce the addition of esteemed individuals to its leadership team. Anne Gowing has assumed the role of President-elect, while Kimberly Reen has taken on the responsibilities of Treasurer.

Jessica Urie now serves as the President and Misty Coffman transitions into the role of Past-President. Shelly Kinney continues to serve as the Secretary.

As we navigate this transitional period within the board, we are actively collaborating with various committees to elevate and enrich the services provided to our members. We extend a warm invitation to all to join us at the upcoming April 2024 conference in Atlanta (Peachtree City), Georgia, for which tickets can be acquired through our website, <https://aanlcpconference.com>. We encourage you to seize this opportunity to participate, connect with fellow professionals, and derive value from the conference experience. Your presence will undoubtedly contribute to the success of this event.

Outreach Committee

The Outreach Committee will be offering a member spotlight in the newsletter. The member spotlight helps us get to know each other between conferences, webinars, and through other ways AANLCP brings us together. How has your career benefited from being an AANLCP member? What is the biggest career challenge you've had to overcome? What has been your favorite professional achievement? Describe what a perfect day outside of work would look like for you. We want to get to know you.

Are you interested in being featured in the member spotlight? Let us know at outreach@aanlcp.org.
