

MARCH 2024

AANLCP NEWSLETTER

Welcome to our March Newsletter! We believe in transparency, growth, communication, and the power of a professional community!

Executive Board News

The Executive Board continues to work on the final details of the annual conference being held April 4-7, 2023 in Peachtree City (Atlanta), Georgia. This is lining up to be an exceptional conference you will not want to miss! Please join us at the annual

meeting which will take place on Saturday, April 6th at 5:30pm. If you have not yet purchased your tickets to the conference, we encourage you to do so. Please make sure your email address with the Association is current. The Research Committee will be sending surveys out to members, and we want to be sure all members of the Association have an opportunity to participate.

Outreach Committee

Outreach wishes to thank Tiffany Lightfoot for her efforts in publishing this newsletter on a regular basis. Our goal is to keep you as a member informed as to the activities of your organization and the executive board and to provide insight into how you can best utilize the resources AANLCP has to offer. We will continue to feature spotlights on fellow members, book reviews, and insights into the website and crash cart.

In addition to membership outreach, we have initiated a relationship with CMSA that we hope will serve to inform case managers about the role of life care planning as an extension of their practice and to create awareness of AANLCP's membership and educational opportunities, and ultimately boost our membership. CMSA President, Coleen Morley will be attending our conference in April. We encourage you to welcome her and convey your passion for life care planning. We plan to exhibit at the CMSA conference June 4-7, in Providence, Rhode Island. If you live or work close to this location, we would love to have you assist us at the AANLCP booth. Please reach out to Liz Holakiewicz (760) 815-7447 if this is of interest.

In our efforts to educate case managers about life care planning, we are also presenting a life care planning (101) webinar to CMSA in July.

Are you interested in being featured in the member spotlight? Let us know at outreach@aanlcp.org.

Journal Committee

The Journal Committee is working on an issue focused on Nerve and Spinal care. We are excited to hear the questions that you might have on this or any of our other upcoming subjects and the editor invites you to send him questions, article ideas, or your requests for the Journal of Nurse Life Care Planning at journal@aanlcp.org.

Mentorship Program

We are happy to announce that AANLCPs Mentorship Program has almost doubled within the last year. We are excited for our new members and new life care planner to start to develop lifelong relationships and grow roots within our organization.

We are always looking for new mentors. We have a monthly virtual get-together. If interested please go to <https://member.aanlcp.org/lifeline/>.

Research Committee

We are excited that all our hard work has come to fruition. The Research Committee has completed the first eleven surveys, and we received IRB approval for the first six surveys. Starting in April, our survey will go out to members on the first Tuesday of each month. We have developed the surveys to take about 5 minutes to complete, so we appreciate your participation. Our upcoming surveys will be about case management, costing, and research. Through this process, the Research Committee has developed and plans to maintain a working relationship with CMSA and IARP. We await AANLC's response regarding whether they would like to participate. We look forward to collaborating with these organizations to advance and support life care planning. WE LOOK FORWARD TO YOUR PARTICIPATION, which is vital to the success of our surveys.
