AANLCP NEWSLETTER

Welcome to our September Newsletter! We believe in transparency, growth, communication, and the power of a professional community

Executive Board News

We are excited to announce the election of Craig Felty as President-Elect and Kelly Ehrhardt as Secretary! Please join us in welcoming them to the executive board and expressing our gratitude for their willingness to volunteer their time. Craig and Kelly will officially start their roles in January but their onboarding process begins immediately.

The executive board, including our newly elected members, is preparing for our annual Strategic Planning Meeting, which will be held from October 24–26 in Phoenix, AZ. During this meeting, we will assess our current status, review our financials, and plan for 2025.

We maintain an “open door” policy, so please don’t hesitate to contact any member with your questions or ideas.

Our committees and volunteer opportunities are growing as well, so if you’re interested in joining a committee, please reach out to info@aanlcp.org or any board member.

Outreach Committee

The Outreach Committee focused on AANLCP's website functionality and social media presence this past month. AANLCP has a presence on Facebook, LinkedIn, and X. We encourage members to engage with us on these platforms. Please “like” and comment on our postings to promote our organization. In addition to CMSA and National Nurses in Business, we initiated contact with the AALNC president, the owner of J.E.R.K LNC (Juris Educational Resource Knowledge), and IALCP to explore ways we may better support one another, perhaps through joint educational efforts or even referrals.

Update Your Member Profile

One of the benefits of Premier Membership is inclusion in our Find a Life Care Planner Directory. Many of you have outdated, incomplete, or no profile information. This is a lost opportunity for business, but it may also be a lost opportunity to maintain your credibility. HQ regularly receives phone calls from attorneys seeking to confirm AANLCP membership for experts they are deposing or cross-examining in trial. Keep your information current.

As a service to the membership, HQ will be instituting reminders to keep your profile current. To find your profile, begin at the Membership dashboard and scroll down and select “Find a LCP Directory.” Here you can use the online form to update your listing. Only fields requiring an update need to be completed.
